

IMS Rare Earth Drawer Magnets and Housing

Our best drawer magnet value

Rare Earth Magnet PLUS Stainless Steel Housing PLUS Lifetime Guarantee —
All for **LESS THAN** the cost of our old LC (Ceramic) Drawer Magnets

Magnet Housings feature:

- Non-magnetizing, stainless steel construction so no magnetic power is lost to the housing. Mild steel flanges for low cost.
- Patented NO-SPILL™ Slide Gate with exclusive magnetic latch to ensure gate stays in full open position during production yet permits easy closing for purging and color changes.
- EPDM drawer gasket resists heat aging and compression set.
- Restyled drawer guide to facilitate drawer removal and cleaning.

Drawer Magnets feature:

- The superior pulling and holding power of Neodymium Rare Earth Magnets
- Will retain their strength even at temperatures **well above 175° F** —

5 TIMES MORE POWERFUL than previous models

6" x 6" magnet shown

Patent-pending

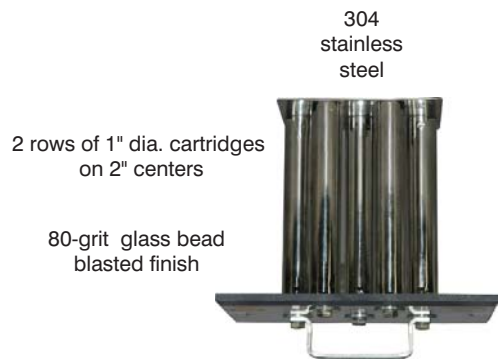

NOTE: Tramp metal shown to illustrate the holding power of the magnets

Clear, polycarbonate drawer front for easy viewing of product flow and captured contaminants

Drawer locking knobs made of high-torque, break-resistant nylon

Custom flanges are made of standard 1/4" thick steel

The **ONLY** temperature-compensated Rare Earth magnet for injection molders

Item #	For Machines with Feed Screw Opening	Magnet Size	Housing Height	Prices		
Mounting holes drilled per your specifications						
133917	7/8" - 2 1/8"	4" x 4"	10 1/2"	\$472.50		
133918	1 3/4" - 3 7/8"	6" x 6"	10 5/8"	599.55		
133919	3 7/8" - 6"	8" x 8"	11 7/8"	771.75		
Item #	Top Opening	Bottom Opening	Magnet Size	Flange Size	Housing Height	Prices
Undrilled — mounting holes to be drilled by user						
134349	2"	2"	4" x 4"	4" x 4"	10 1/2"	\$472.50
135383	4 1/4"	2 7/8"	6" x 6"	6 1/4" x 6 1/4"	10 5/8"	599.55
140338	4 1/4"	2 7/8"	6" x 6"	8" x 8"	10 5/8"	598.50
136728	6"	5 1/2"	8" x 8"	8 1/4" x 8 1/4"	11 7/8"	772.80

OTHER SIZES - MADE TO ORDER
Special, ALL Stainless Steel Housing (including flanges) also available - see next page

OPTIONAL

#134373 Purge Hopper (Steel) - to speed clean-out of barrel	\$167.50
#134375 Rear Dump Tube (Steel) - to empty the housing and hopper after run has been completed	40.45
#134377 Liquid Port (Steel) - to inject liquid color additives	40.45

When ordering, please use the form on page 149 to indicate flange dimensions and accessory placement
