

# IMS Paintable Mist Mold Release

## Low residue buildup

Use wherever molded parts are to be painted, plated, printed or stamped. Also use Paintable Releases if these processes will be done near the press, because any mold release can get into the air and deposit on parts even many feet away.

- For molded parts to be painted, plated, printed, or ink stamped
- Wide range of applications
- Misting tip
- Recognized under the component program of Underwriters Laboratories Inc.
