SAFE!

Adjustable

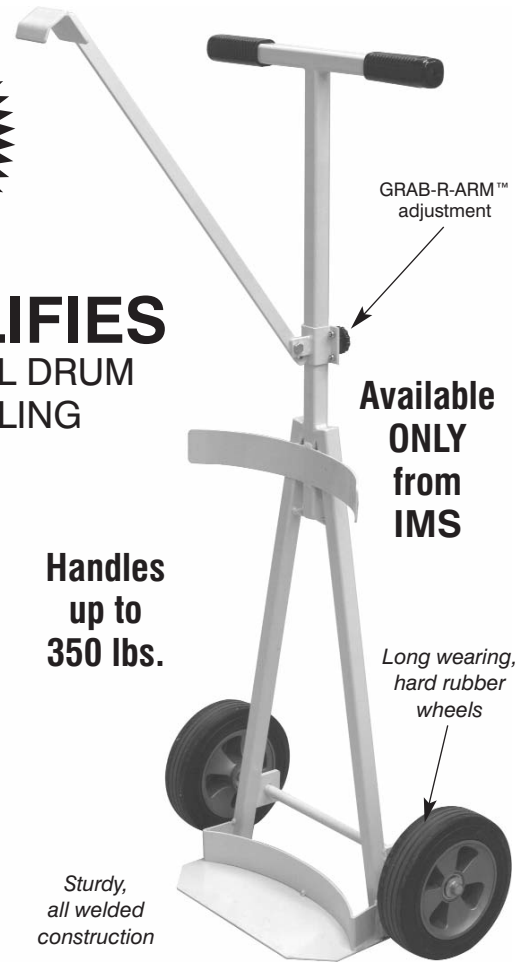

GRAB-R-ARM™

holds barrel securely in place

REDUCE ACCIDENTS... ...TRANSPORT BARRELS with SPEED & CONVENIENCE

SIMPLIFIES MATERIAL DRUM HANDLING

IMS 30 gallon, plastic drum on GRAB-R-ARM™ Drum Cart.

NOTE:
Plastic Drum shown is sold separately

EASY LOADING — SAFER TO USE

Drum loading is easy (see Figure 1). Place cart next to drum. With one foot on wheel axle to prevent backward roll, push forward on cart handle. The unique design of the IMS Drum Cart enables you to use the long, vertical handle as a lever. Raise up drum slightly and push cart under drum with foot. After positioning drum on cart, swing down GRAB-R-ARM™. Place arm clamp end over edge of barrel and loosen adjustment knob (see Figure 2). Then, with one hand, push cart handle against drum. With your other hand, raise arm adjustment knob as high as possible and tighten. Drum is now secure and can be safely moved. Reverse procedure to unload.

Item No. 105597

\$159.90
